Price:	<b>19.000 GBP</b> VAT included

### Description:

#### Incredibly Low Hours?

This Monterey 214 FSC Cuddy has only 19.8 hrs on the clock, from new. It's virtually unused and is in beautiful condition. She has always been kept on the trailer and has only ever seen use in fresh water. The hull bottom has never been anti-fouled, and the exterior and interior are like new.

Fitted with the powerful and fuel efficient Volvo Penta 4.3 GXi 225HP V6 motor, this boat delivers great performance. She pops onto the plane effortlessly and runs right up to 45 mph flat out. So whether you're looking for a boat that's capable of some serious watersports or taking big groups of friends out for some fun on the water, this Monterey 214 FSC Cuddy could fit the bill nicely.

Complete with a digital depth sounder, bimini top and full set of factory camper covers, tonneau cover, anchor and rode, cool box, porta-potti and UK spec SBS trailer, this boat is well equipped and ready to go to the water.

As a stock boat of ours, it's been fully prepared for sale, everything works perfectly and it's serviced and ready to go for next season. It's also being offered for sale with our in-house 3 month engine and drive warranty so you can buy with complete peace of mind.

Monterey boats are a cut above the usual US sportboats in terms of build quality and fit and finish. This Monterey 214 FSC is a high quality boat with lots of luxurious touches, like the walk-through transom, stainless steel pop-up cleats, high quality upholstery and beautiful gel coat. It's a class act and well worth a look if you're in the market for 21-23 foot cuddy.
